CONTEXT THAT THIS POSITION OPERATES WITHIN

Health NZ | Te Whatu Ora (Nelson Marlborough) is responsible for the effective delivery of health services to the people of Nelson, Tasman and Marlborough. This includes

hospital-based services, community based services and referrals to appropriate tertiary centres.

A holistic approach to integrating systems is required as Health NZ faces a number of challenges including an aging population, financial pressures and maintaining base hospital services in Nelson and Blenheim.

The management structure of the Health NZ comprises a range of departments of which the Clinical Services area is one, headed by a General Manager (GM). The GM is supported by a number of Service Managers, including the Service Manager (SM) - Clinical Support. Each of the areas must work closely to ensure there is a co-ordinated and effective health service across the District.

This role is a generic position and reports to a Team Leader position within Clinical Support. The role will contribute fully as a member of a department or ward within Clinical Support and will work collegially with other staff to ensure the delivery of quality healthcare across the Health NZ.

The aim of Clinical Support is to provide a seamless and efficient patient journey by achieving commonalities in systems and efficiencies across a range of different disciplines. The position holder may therefore be required to work across various departments, and covering a number of roles in order to meet operational or patient requirements.
