PURPOSE OF POSITION

This role is a pivotal role for mental health and addictions services to support our integration programme. The vision for our programme is:

Working with people of our community to promote, encourage and enable their health, wellbeing and independence by providing flexible responsive integrated mental health and addictions services

This role has been designed for an experienced clinician who has excellent skills in relationship development and networking. They will provide assessment and therapeutic interventions using a range of best practice recommended models of care including case management and group work to children, young people and their families who are referred to iCAMHS. An important part of this role is in inter-agency work, including working with community services such as Oranga Tamariki, Schools, GP’s and local community networks.

The successful candidate will have proven clinical expertise to support our system to be better integrated, to improve our ability to be responsive, holistic, person centred and recovery focussed. They must demonstrate an awareness of the wider social determinants of health. They will ensure their contributions support the strengthening our system-wide priorities, as listed below.

MH&A system-wide integration priorities

Achieve **Equity** and strengthen the **Equally Well** commitment by supporting district-wide access to safe and effective person-centred care to reduce inequity and maximise wellbeing.

People and whānau are essential members of the care team

We take a **whole of person** approach by ensuring strong intra and inter sectoral relationships to ensure people access the range of support available to achieve recovery and optimal outcomes.

We work as **one team** with person centred plans, assisted by appropriate sharing of information and innovative technology solutions.

We support a diverse workforce that is recovery focussed, fosters independence, and is well connected, to ensure we **build trust**, respect and confidence.

Supporting and monitoring our services to be integrated, flexible and responsive and a **high performing** network of people and agencies.

This position may be required to work across primary, community and secondary services as part of the delivery of an integrated Mental Health and Addictions model of care for Nelson Marlborough. Including working across agencies with our cross sector partners

PURPOSE OF ROLE

To provide care management support and effective best practise interventions for children & young people, and their families / whanau, who are referred to iCAMHS with moderate - severe mental health issues.

Key Accountabilities:	Examples of successful delivery of duties and responsibilities
Clinical Practice / Te Mahi Haumanu	
<ul style="list-style-type: none"> • Provision of high quality evidence based clinical services: assessment and intervention as appropriate. • Working with children and youth (Tamariki and Rangatahi) with moderate to severe mental health issues. They are assessed, supported and treated along with their families using best practice recommended models of care. • Case work is undertaken with appropriate use of intervention models. • Works collaboratively with other agencies, including schools, NGOs and Maori health providers. • Service activity, development and implementation is undertaken in accordance with the provisions of the Treaty of Waitangi – partnership, protection and participation. • Client/clinical issues are addressed in supervision, MDT, peer group review meetings. 	<ul style="list-style-type: none"> • Offers a range of developmentally appropriate treatments for instance DBT, CBT, whanau / Family Therapy, Play therapy and motivational interviewing. • Submits assessment and review feedback to MDT for discussion, within required timeframe. • Uses appropriate outcome measurement tools and uses these in a meaningful way with client and family. • Pro-actively advocates and represents clients at case conferencing and interacts with whanau/ family and agencies to support mental health needs. • Ensures collaboration with other appropriately involved agencies to obtain maximum benefit for the client / whanau / family. • Risk is appropriately assessed, documented and managed • Documentation is maintained to the highest standard in accordance with the standards of the appropriate professional body • Measures: Family / Whanau and consumer / Tangata Whaiora feedback (informal and formal), file audit, supervision feedback, in caseload management supervision with Coordinator.
Team work / Te Ārahi me te Whakahaere	
<ul style="list-style-type: none"> • Works co-operatively with other team members and autonomously when required. • Contributes to the development of team goals and service delivery. • Attends and contributes to relevant service, clinical and team meetings, leading and facilitating such meetings as requested. 	<ul style="list-style-type: none"> • Utilises resources efficiently and effectively. • Maintains timely and accurate statistics as required by the service. • To provide advice and support when required, and support to colleagues across all agencies involved in the care of young people and their families with mental health issues. • To work jointly and collaboratively with colleagues involved in the care of Rangatahi / young people with mental health issues. • Appropriate channels of communication are followed. • Issues for management are brought up with the Manager initially, unless appropriate for MDT.
<ul style="list-style-type: none"> • 	<ul style="list-style-type: none"> •
<ul style="list-style-type: none"> • Participation in iCAMHS Duty Roster 	<ul style="list-style-type: none"> • Work as part of the current iCAMHS duty team, completing daily routine referral screening, triage and duty work as required.

	<ul style="list-style-type: none"> • Provide support to all aspects of the acute service pathway including triage service. • Be skilled in completing acute mental health assessments taking into account often highly complex relationship/ situational factors and able to create a risk management plan alongside the young person and their family members. • Support the triage process inclusive for Maori clients and their whanau offering culturally appropriate navigation for access to external services.
Teaching & Learning / Ako Atu, Ako Mai	
<ul style="list-style-type: none"> • Provision of consultation, advice, support and training to colleagues and wider agencies as appropriate. 	<ul style="list-style-type: none"> • To create opportunities for training and up-skilling of colleagues within the iCAMHS and wider Mental Health and Addiction Services. • Attends in-service training sessions and presents clients at clinical review. • Actively pursues relevant learning opportunities.
Service improvement and Research / Te Whakapai Ratonga me te Rangahau	
<ul style="list-style-type: none"> • Contributes to the team's attempts to reduce environmental waste by recycling materials as appropriate, using lighting and heating only when necessary and being aware of how any new initiative might have a negative impact. • Assists line manager and professional leaders in clinical assurance activities as requested. 	<ul style="list-style-type: none"> • A quality, customer-focused service is provided at all times, which follows best practice. • Participation in quality improvement processes in your area of work. • Actively participates in team and service wide planning days (as appropriate). • Attends and contributes to team business meetings.
Professional Competencies	
<ul style="list-style-type: none"> • Maintain own professional registration requirements as directed by the legislation relevant to the incumbent's profession 	<ul style="list-style-type: none"> • You maintain your professional registration • You have an up-to-date professional development plan
Other Duties	
<ul style="list-style-type: none"> • Undertaking duties from time to time that may be in addition to those outlined above but which fall within your capabilities and experience. <ul style="list-style-type: none"> • Act as a role model for the Health NZ (Nelson Marlborough) Organisational Values. 	<ul style="list-style-type: none"> • Obligations contained in Appendices 1 & 2, (and Appendix 3 – if a Registered Nurse is appointed), are met. • Other duties as negotiated with your Manager.
Professional Development – self	
<ul style="list-style-type: none"> • Identifying areas for personal and professional development. • Participates in professional supervision in line with the organisation's requirements and/or professional body. 	<ul style="list-style-type: none"> • Knows and applies mental health standards as well as professional body guidelines. • Develops plan for personal health. • Participates in annual performance review process including review of performance goals and identification of areas for professional development. • Training and development goals are identified/agreed with your manager. • Performance objectives reviewed annually with your manager.

	<ul style="list-style-type: none"> You actively seek feedback and accept constructive criticism.

APPENDIX 1

General Responsibilities of an Employee of Health NZ | Te Whatu Ora Nelson Marlborough

1. Professional Responsibilities

As an employee of Health NZ Nelson Marlborough, you are required to:

- Maintain any qualifications, including registrations and practising certificates, required for legal and safe practice.
- Keep yourself up to date on knowledge, best practices and legislation relating to your work.
- Make a personal contribution towards effective and efficient working relationships within your team and with other Health NZ Nelson Marlborough departments.
- Ensure you carry out your work in a way that is customer-focused and meets professional standards.
- In conjunction with your manager, identify your own training needs and plan to meet these needs.
- Manage your own time and prioritise your work effectively.

2. Health, Safety and Wellbeing

- Compliance with all health and safety legislative requirements.
- Compliance with the ACC Partnership Programme requirements.
- Compliance with all organisation-wide health and safety policies and procedures.
- Compliance with the Health and Safety Manual, any relevant chemical information and the emergency plan.
- Work is carried out in a healthy and safe manner and others are encouraged and assisted to work in the same way.
- Unsafe workplace conditions/practices (hazards) are identified, reported and mitigated/rectified early.
- Knowledge of identified hazards is kept up to date.
- Reportable event form is completed (via *Safety First*) for any accident or injury which has taken place at work, ensuring, in the case of injury, that your supervisor or manager is notified within 24 hours.
- Co-operation, support and promotion of occupational health and safety actions and initiatives in the workplace.

3. Right to Raise Concerns

- All employees of Health NZ Nelson Marlborough are expected and encouraged to immediately ask questions and raise any concerns/issues with their colleagues at their place of work, particularly if the care of a patient could potentially be compromised.
- All staff are expected to act professionally and to actively listen to the concerns or opinions of others being raised at the time.

4. Child Wellbeing and Protection

- Health NZ Nelson Marlborough is committed to identifying, supporting and protecting vulnerable children. The prevention of abuse and enhancing the wellbeing of children and their families aims to keep vulnerable children safe before they come to harm so they can thrive, achieve and belong. As an employee you are required to comply with all relevant legislation e.g. the Vulnerable Children Act 2014 and the Children, Young Persons and their Families Act 1989. You are also required to:
- Contribute to and support the organisation's strong commitment to a child centred approach to protect children across the region.
- Act at all times in the best interest of the children and young people, putting their interests first.
- Ensure collaborative working practices and recording and sharing of information to address abuse, suspected abuse or disclosure of abuse in a timely and appropriate fashion.

5. Legislation, Regulations and Board Policies

You are required to be familiar with and adhere to the provisions of:

- All relevant acts and regulations
- All Board, hospital and department policies
- All relevant procedure manuals
- The “Employee Obligations” within Health NZ Nelson Marlborough’s Disciplinary Policy.

6. Confidentiality

You are required to:

- Adhere to the Privacy Act 1993, the Health Information Privacy Code 1994 and subsequent amendments in regard to the non-disclosure of information.
- Maintain strict confidentiality of patient, applicant and employee information at all times.

7. Risk Management

You are required to:

- Support and promote actions and initiatives in your work area which enable risks to be identified and eliminated or reduced.
- Be especially aware of those risks which have high cost or safety implications.
- Complete an accident/incident report for any accident, incident or near miss which has taken place at work.
- Respond to complaints according to appropriate policies.

8. Security

You are required to:

- Wear your identification badge at all times when on site or when carrying out official duties.
- Notify Human Resources of any changes required for your ID badge.
- Report any suspicious or unusual occurrence to the security officer, orderly or telephone operator.
- Complete an incident report for any incident which has or might have compromised the safety of staff, patients and visitors.

9. Treaty of Waitangi

Health NZ Nelson Marlborough is committed to its obligations under the Treaty of Waitangi. As an employee you are required to give effect to the principles of the Treaty of Waitangi: Partnership, Participation and Protection.

10. Smokefree

Health NZ Nelson Marlborough is a Smokefree Organisation. This applies to all staff and contractors working within Health NZ Nelson Marlborough buildings, grounds and vehicles. Staff are required to comply with the policy and ensure all visitors, patients and others are informed of the policy. This also applies to Health NZ Nelson Marlborough staff employed on Board business in the community.

APPENDIX 2

The preferred candidate is required to complete a Pre-Employment Health Questionnaire. The table below outlines the tests to be carried out - depending on the nature of the position applied for.

Condition	Information to include in Position Description
TB Active	No person with active pulmonary or laryngeal tuberculosis (TB) is allowed to be at work in Health NZ Nelson Marlborough
TB Latent	Staff who expect to have contact with patients or infectious materials must have assessment of previous TB exposure at the time of employment
BBV	No person who is susceptible to hepatitis B is allowed to have contact with patients or human materials (e.g., blood) unless they have taken part or agree to take part in a blood-borne virus education, prevention and vaccination program
MRSA	No person colonised or infected with methicillin-resistant <i>Staphylococcus aureus</i> (MRSA) is allowed to work in clinical areas ¹ New staff who will be working in clinical areas should be screened for MRSA if they have: <ul style="list-style-type: none">• a chronic skin condition• been working in an overseas healthcare facility in the last year• been MRSA-positive in the last year
Skin	No person with a skin condition that by virtue of its site and type could be an infection risk is allowed to have contact with patients, food, microbiology samples or sterile items
Measles/Rubella	No person who is susceptible to measles or rubella is allowed to have contact with pregnant women.
VZV	No person susceptible to varicella-zoster virus (chickenpox) is allowed to have contact with newborn babies or pregnant women
EPP	No person who has detectable hepatitis B e antigen or high levels of hepatitis B virus DNA in their serum is allowed to undertake or assist with exposure-prone surgical procedures ²

¹Clinical areas include inpatient medical and surgical wards (includes Medical Units, AT&R Units, Surgical Wards, Paediatrics, Day Stay, Neonates and Women's Health). Screening does not apply to staff working in outpatient areas (e.g., clinics, Radiology, Respiratory Function lab) or in DSS, Mental Health or Drug and Alcohol services (transmission of MRSA is less likely and infection is rare in these sites.)

²Exposure-prone surgical procedure = a procedure where there is the potential for direct contact between the skin (usually finger or thumb) of the health care worker and sharp surgical instruments, needles, or sharp tissues (spicules of bone or teeth) in a blind or highly confined anatomic site such as a body cavity or in poorly visualised and/or confined body sites. Such sites include body cavities encountered during emergency and trauma procedures, abdominal, cardiothoracic, obstetric/gynaecological, orthopaedic and oral surgery.

CHANGES TO POSITION DESCRIPTION

From time to time it may be necessary to consider changes to the position description in response to the changing nature of our work environment – including technological requirements or statutory changes. This Position Description may be reviewed as part of the preparation for your annual performance and development review.

APPENDIX 3

Should a Registered Nurse be appointed to this position the following professional nursing responsibilities, expected outcomes, experience/knowledge and specific skills also apply.

RESPONSIBILITIES	EXPECTED OUTCOMES
<p>Domain One - Professional Responsibility <i>Domain One contains competencies that relate to professional, legal and ethical responsibilities and cultural safety. These include being able to demonstrate knowledge and judgment and being accountable for one’s actions and decision, while promoting an environment that maximizes client’s safety, independence, quality of life and health.</i></p>
